Petitions to Review under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: A telephone call to applicants' counsel, Mr. Daniel Pereira, was made on 7th December 2006. A message was left with the receptionist, for Mr. Pereira, in which the examiner asked whether any reply to the outstanding Office action had been submitted before 6th December 2006. Mr. Pereira later that day returned the call and spoke with the examiner, stating that the lack of a reply to the Office action was intentional and applicants understand that the application would be held abandoned..
